Iowa City, IA

Expected 2027

Cumulative GPA: 3.9

WORK EXPERIENCE

Tippie College of Business

August 2023-Present

Social Impact Intern

- Collaborated on a small team to monitor and evaluate sustainability initiatives across the college, contributing data analysis for the PRME report submitted to the United Nations
- Partnered with Iowa City nonprofit leaders to connect students with community service opportunities, helping over 27 student organizations find new opportunities
- Planned and facilitated discussions that brought researchers together to explore intersections and shared themes in their work

Nebraska Wildlife Rehabilitation Facility

June 2025-August 2025

Wildlife Intern

- Spoke directly with community members to intake wildlife patients, educate them on rehabilitation practices, and assist in safely returning animals to their natural habitats
- Provided hands-on care for more than 3,000 injured, orphaned, and ill wild animals in a fast-paced veterinary environment

University of Iowa

August 2025-December 2025

Teaching Assistant

- Served as a TA for the Iowa Presidential Scholars course, helping design and facilitate class sessions focused on students role in community-building
- Offered detailed feedback on written assignments, assisted with grading to ensure clarity and consistency, and held office hours weekly

COMMUNITY INVOLVEMENT

Mock Trial

August 2023-Present

Vice President

- Analyzed legal documents and case materials to develop strategic approaches for both civil and criminal cases
- Wrote and delivered opening/closing statements, conduct direct and cross examinations, and prepare evidentiary objections using standards modeled on the Federal Rules of Evidence
- Organized fundraising initiatives including pop-up thrift events, crowdfunding campaigns, tournaments, and outreach to law firms- to individually raise over 8,000 dollars
- Planned and executed a large-scale competition by coordinating logistics for 200+ attendees, recruiting volunteer judges, securing event spaces, and overseeing all day-of operations

ICIGO

- Collaborated with a University of Iowa student-led team to support Iowa communities lacking access to professional planning consultants.
- Used ArcGIS to map zoning proposals, road construction plans, and potential recreation areas in alignment with local and federal zoning policies

AWARDS

Presidential scholar and honors student through the University of Iowa

August 2023-Present

Five-time awardee and two time national competitor for AMTA Mock Trial

August 2023-Present
